DISCUSSION	February is Love of Reading Month, so that's when we hold Literacy Night. That committee has sent out sign-ups for each grade level to host activities. Flyers and DOJO messages have been sent. There are several field trips to the Flandrau Science center coming up. We want to continue using field trip tax credit funds to purchase

	Davidson shirts for students to wear on field trips. For PTC, students below grade level must be scheduled. A large percentage of Davidson students are below grade level, but the red is decreasing incrementally. PLCs will be changing from departments to WICOR.
