# Davidson Elementary Positive Behavioral Interventions and Supports PBIS

# P.B.I.S

Davidson Elementary has adopted the Positive Behavior Interventions and Supports (PBIS) approach to student discipline. As a substitute teacher in our building, please be aware of the following:

1. **Our primary goal is to prevent discipline problems.** To do this we must...
  - a) Teach, model, and expect students to display R.O.A.R. R-Respectful; O-On Task; A-Always Safe; R-Responsible
  - b) Treat students in a positive and respectful way—avoid yelling, belittling students, or using sarcasm.
  - c) Maintain effective supervision of students at all times.
  - d) Expect students to follow all established routines and procedures (they are posted all over the school for all to see). Know the expected procedures for the classroom, halls, restrooms, and cafeteria. When students fail to follow the expected procedure, have them repeat the procedure correctly.
  - e) Reinforce positive behavior.
  - f) Frequently point out and show appreciation for appropriate behavior.

## R.O.A.R Tickets

What we use at Davidson to recognize students who are exhibiting positive behavior.

All staff regularly use Dragon tickets *All* students have opportunity to be recognized for good choices, even the most challenging students.
